

Product datasheet

Buffer

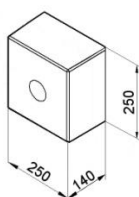

Rubber buffer type PBGP

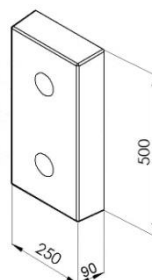

PBGP 400x80x70
Rubber buffer

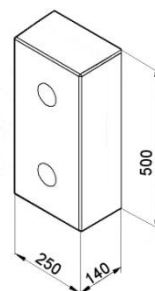

PBGP 250x250x90
Rubber buffer

PBGP 250x250x140
Rubber buffer

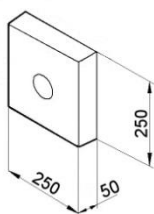

PBGP 500x250x90
Rubber buffer

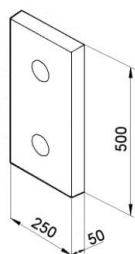

PBGP 500x250x140
Rubber buffer

Polyethylene buffer type PEHD

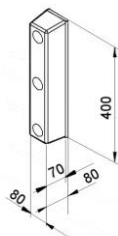

PEHD 250x250x50
Polyethylene buffer

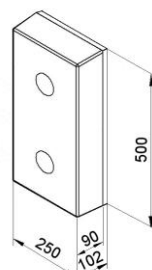

PEHD 500x250x50
Polyethylene buffer

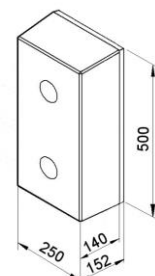

Rubber buffer on hot-dip galvanized plate type PGF

PGF 70
Rubber buffer on hot-dip galvanized plate

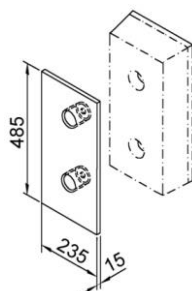

PGF 90
Rubber buffer on hot-dip galvanized plate

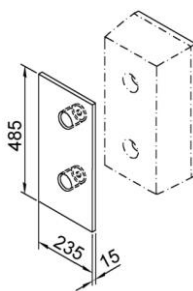

PGF 140
Rubber buffer on hot-dip galvanized plate

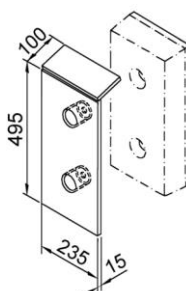

Front protection plate type PZPS

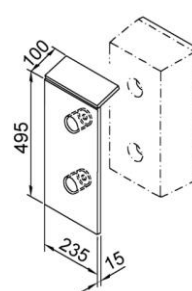

PZPS 90 06
Front protection plate for rubber buffer PGF 90

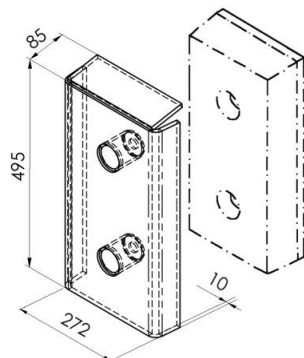

PZPS 140 01
Front protection plate for rubber buffer PGF 140

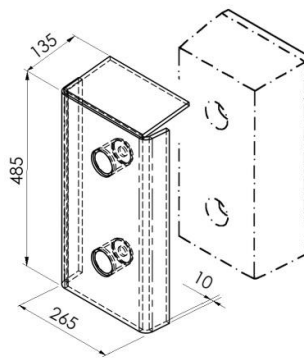

PZPS 90 02
Front protection plate for rubber buffer PGF 90

PZPS 140 02
Front protection plate for rubber buffer PGF 140

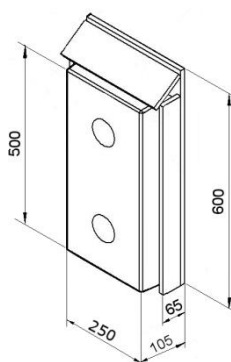

PZPS 90 07
Front protection plate for rubber buffer PGF 90

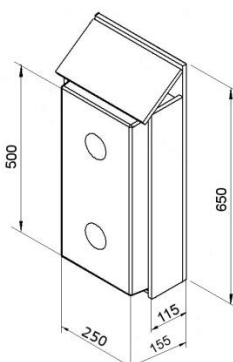

PZPS 140 07
Front protection plate for rubber buffer PGF 140

Buffer with front protection plate type PGFS
Rubber buffer with front protection plate

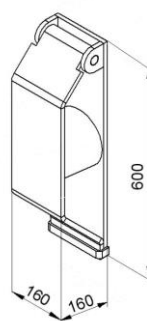

PGFS 90

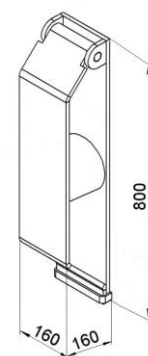

PGFS 140

Spring steel buffer type PGS
Spring steel buffer on hot-dip galvanized plate, spring steel plate and rubber buffer

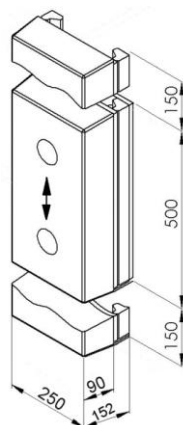

PGS 600

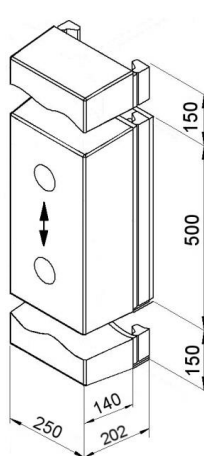

PGS 800

Floating buffer type PGB
Rubber buffer with vertical guide

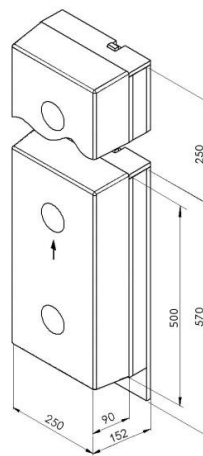

PGB 90

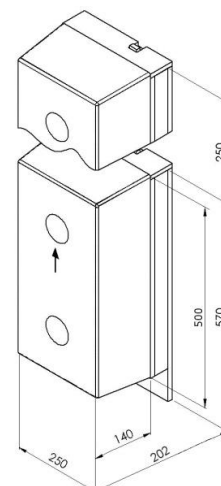

PGB 140

Floating buffer type PGV
Rubber buffer with vertical guide

PGV 90

PGV 140
